Special Events

Otter Creek Park is home to several annual events and festivals, with activities on each of the major holiday weekends. Memorial Day, Fourth of July and Labor Day are some of our busiest times, along with events throughout the year which

showcase the seasonal beauty of the park. Contact us for a schedule of events you, your friends and family can enjoy.

Nature Center

For thousands of visitors each year, Otter Creek Park's Nature Center provides a "first encounter" with nature and the great outdoors. For many years, the park has offered environmental education programs through the Nature Center.

Displays of indigenous flora and fauna are presented for self-guided exploration. The Nature Center may also serve as a study site for school field trips. Otter Creek Park offers evening astronomy programs through its one-of-a-kind Astronomical Observatory. Evening "star parties" are scheduled throughout the year.

Picnic Pavilions

For large or small gatherings with an outdoor feel, choose one of our private pavilions. These spacious pavilion areas include electrical outlets, restroom facilities, picnic tables and activity fields for games and events.
